The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER (ISSN 1041-2654) is published weekly by the Office of Administrative Law, 555 Capitol Mall, Suite 1290, Sacramento, CA 95814-4602. The Register is printed by the Office of State Publishing and is offered by subscription for \$302.00 (annual price). To order, call (916) 445-5391. Periodicals postage paid at Sacramento, CA and additional mailing offices. **POSTMASTER:** Send address changes to the: CALIFORNIA REGULATORY NOTICE REGISTER, Customer Coordinator, Office of State Publishing, 344 N. 7th Street, Room 104, Sacramento, CA 95814-0212.

## PROPOSED ACTION ON REGULATIONS

*Information contained in this document is published as received from agencies and is not edited by the Office of State Publishing.*

### TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303 and 87304 of the Government Code to review proposed conflict of interest codes, will review the proposed/amended conflict of interest codes of the following:

#### CONFLICT OF INTEREST CODES

#### ADOPTION

##### MULTI-COUNTY:

Tierra del Sol Regional Library Network

A written comment period has been established commencing on **October 5, 2001** and closing on **November 19, 2001**. Written comments should be directed to the Fair Political Practices Commission, Attention Teri Rindahl, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45-day comment period, the proposed conflict of interest code(s) will be submitted to the Commission's Executive Director for his review; unless any interested person or his or her duly authorized requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director or the Commission will review the above-referenced conflict of interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director or the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the

proposed conflict of interest code(s). Any written comments must be received no later than **November 19, 2001**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

#### COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

#### EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

#### AUTHORITY

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict of interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

#### REFERENCE

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict of interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

#### CONTACT

Any inquiries concerning the proposed conflict of interest code(s) should be made to Teri Rindahl, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

#### AVAILABILITY OF PROPOSED CONFLICT OF INTEREST CODES

Copies of the proposed conflict of interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to Teri Rindahl, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

## TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303 and 87304 of the Government Code to review proposed conflict of interest codes, will review the proposed/amended conflict of interest codes of the following:

### CONFLICT OF INTEREST CODES

#### AMENDMENT

##### STATE AGENCY:

California Public Utilities Commission

A written comment period has been established commencing on **October 5, 2001** and closing on **November 12, 2001**. Written comments should be directed to the Fair Political Practices Commission, Attention Wayne Imberi, 428 J Street, Suite 450, Sacramento, California 95814.

At the end of the 45-day comment period, the proposed conflict of interest code(s) will be submitted to the Commission's Executive Director for his review, unless any interested person or his or her duly authorized requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director or the Commission will review the above-referenced conflict of interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director or the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict of interest code(s). Any written comments must be received no later than **November 12, 2001**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

### COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were

mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

### EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

### AUTHORITY

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict of interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

### REFERENCE

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict of interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

## TITLE 3. DEPARTMENT OF FOOD AND AGRICULTURE

NOTICE IS HEREBY GIVEN that the Department of Food and Agriculture amended Section 3591.2(a) of the regulations in Title 3 of the California Code of Regulations pertaining to Oriental Fruit Fly Eradication Area as an emergency action. The Department proposes to continue the regulation as amended.

A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to the Department contact no later than 15 days prior to the close of the written comment period. Following the public hearing if one is

requested, or following the written comment period if no public hearing is requested, the Department of Food and Agriculture may certify that there was compliance with the provisions of Section 11346.1 of the Government Code within 120 days of the emergency regulation.

Notice is also given that any person interested may present statements or arguments in writing relevant to the action proposed to the agency officer named below on or before November 19, 2001.

#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Existing law obligates the Department of Food and Agriculture to protect the agricultural industry of California and prevent the spread of injurious pests (Food and Agricultural Code, Sections 401 and 403). Existing law provides that the Secretary may establish, maintain, and enforce eradication regulations as he deems necessary to circumscribe and exterminate or prevent the spread of pests (Food and Agricultural Code, Section 5322). The eradication regulations may proclaim any portion of the State as an eradication area and set forth the boundaries, the pest, and the means and methods which may be used in the eradication of said pest.

This amendment of Section 3591.2(a) established Contra Costa County as an eradication area for the pest *Bactrocera dorsalis* (Oriental fruit fly). The effect of this amendment is to provide authority for the State to perform control and eradication activities against Oriental fruit fly in Contra Costa County to prevent spread of the fly to noninfested areas to protect California's agricultural industry. There is no existing, comparable federal regulation or statute.

#### COST TO LOCAL AGENCIES AND SCHOOL DISTRICTS

The Department of Food and Agriculture has determined that this regulation does not impose a mandate on local agencies or school districts.

The Department has also determined that the regulation will involve no additional costs or savings to any state agency because funds for state costs are already appropriated, no nondiscretionary costs or savings to local agencies or school districts, no reimbursable savings to local agencies or costs or savings to school districts under Section 17561 of the Government Code, funds for reimbursement for costs to local agencies have already been appropriated, and no costs or savings in federal funding to the State.

#### EFFECT ON HOUSING COSTS

The Department has made an initial determination that the proposed action will not affect housing costs.

#### EFFECT ON BUSINESSES

The Department has made an initial determination that the proposed action will not have a significant statewide adverse economic impact directly affecting California businesses, including the ability of California businesses to compete with businesses in other states.

#### COST IMPACT ON REPRESENTATIVE PRIVATE PERSON OR BUSINESS

The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

#### ASSESSMENT

The Department has made an assessment that the proposed amendment to the regulation would not (1) create or eliminate jobs within California, (2) create new business or eliminate existing businesses within California, or (3) affect the expansion of businesses currently doing business within California.

#### ALTERNATIVES CONSIDERED

The Department of Food and Agriculture must determine that no reasonable alternative considered by the Department or that has otherwise been identified and brought to the attention of the Department would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

#### AUTHORITY

The Department amended Section 3591.2(a) pursuant to the authority vested by Sections 407 and 5322 of the Food and Agricultural Code of California.

#### REFERENCE

The Department amended Section 3591.2(a) to implement, interpret and make specific Sections 5761, 5762, 5763, and 5764, Food and Agricultural Code.

#### EFFECT ON SMALL BUSINESS

The amendment of this regulation may affect small businesses.

#### CONTACT

The agency officer to whom written comments and inquiries about the initial statement of reasons, proposed action, location of the rulemaking file, request for a public hearing, and final statement of reasons may be directed is: Barbara J. Hass, Department of Food and Agriculture, Plant Health and Pest Prevention Services, 1220 N Street, Room A-316, Sacramento, California 95814, (916) 654-1017,

#### **INTERNET ACCESS**

The Department has posted on its Internet website ([www.cdfa.ca.gov/plant/index.html](http://www.cdfa.ca.gov/plant/index.html)) the information regarding this proposed regulatory action. Select "Proposed Changes in Regulations for Plant Health and Pest Prevention Services" and then section number(s).

#### **AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS**

The Department of Food and Agriculture has prepared an initial statement of reasons for the proposed action, has available all the information upon which its proposal is based, and has available the express terms of the proposed action. A copy of the initial statement of reasons and the proposed regulations in underline and strikeout form may be obtained upon request. The location of the information on which the proposal is based may also be obtained upon request. In addition, the final statement of reasons is available upon request. Requests should be directed to the contact named herein.

If the regulations adopted by the Department differ from, but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency officer (contact) named herein.

### **TITLE 11. COMMISSION ON PEACE OFFICER STANDARDS AND TRAINING**

#### **NOTICE OF PROPOSED REGULATORY ACTION: AMEND COMMISSION REGULATION 1081(a)(26) ELDER/DEPENDENT ADULT ABUSE TRAINING**

Notice is hereby given that the Commission on Peace Officer Standards and Training (POST), pursuant to the authority vested by Sections 13503 of the Penal Code (powers of the Commission on POST) and Section 13506 (authority for Commission on POST to adopt regulations), and in order to interpret, implement and make specific Sections 13510 (authority for the Commission on POST to adopt and amend rules establishing minimum standards for California local law enforcement officers), and Section 13515 of the Penal Code which gives the Commission on POST the

authority to develop and certify the course on Elder/Dependent Adult Abuse, proposes to adopt, amend or repeal regulations in Chapter 2 of Title 11 of the California Code of Regulations.

#### **INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

The existing law requires police officers and deputy sheriffs assigned to field duties to complete an elder abuse training course certified by the POST Commission. The State Legislature mandated, in AB 1819, changes to Penal Code Section 13515, expanding the specified subjects to include dependent adults and adds to the list of required subjects physical and psychological abuse of elder and dependent adults and the role of adult protective services and public guardian offices.

The proposed amendment to Commission Regulation 1081(a)(26) puts into regulation the changes made to Penal Code Section 13515. It is proposed that the training be retitled Elder/Dependent Adult Abuse and curriculum be added on the subjects of physical and psychological abuse of elders and dependent adults, and the role of adult protective services and public guardian offices.

The Commission has developed a two-hour telecourse and supporting reference guide on elder/dependent adult abuse in response to this legislative mandate. The telecourse and reference were released on August 24, 2001. The existing law allows the training mandate to be satisfied by a telecourse. Officers that have previously met the training requirement may view the telecourse as an update, while newly assigned field officers can meet the training requirement by viewing the telecourse upon being assigned to field or investigative duties

#### **PUBLIC COMMENT**

The Commission hereby requests written comments on the proposed actions. All written comments must be received at POST no later than 4:30 p.m. on November 19, 2001. Written comments should be directed to Kenneth J. O'Brien, Executive Director, Commission on Peace Officer Standards and Training, 1601 Alhambra Boulevard, Sacramento, CA 95816-7083, fax number (916) 227-2801, or email at [kobrien@post.ca.gov](mailto:kobrien@post.ca.gov)

A public hearing is not scheduled. Pursuant to Government Code Section 11346.8 any interested person, or his or her duly authorized representative, may request in writing, no later than 15 days prior to the close of the public comment period, that a public hearing be held.

**ADOPTION OF PROPOSED REGULATIONS**

Following the close of the public comment period, the Commission may adopt the proposal substantially as set forth without further notice or may modify the proposal if such modifications remain sufficiently related to the text as described in the Informative Digest. If the Commission makes changes to the language before the date of adoption, the text of any modified language, clearly indicated, will be made available at least 15 days before adoption to all persons whose comments were received by POST during the public comment period, and all persons who request notification from POST of the availability of such changes. A request for the modified text should be addressed to the agency official designated in this notice. The Commission will accept written comments on the modified text for 15 days after the date of which the revised text is made available.

**TEXT OF PROPOSAL**

Copies of the Initial Statement of Reasons and exact language of the proposed action may be obtained by submitting a request in writing to the contact person at the address below. This address also is the location of all information considered as the basis for these proposals. The information will be maintained for inspection during the Commissions' normal business hours (8 a.m. to 5 p.m., Monday through Friday).

Copies of the Final Statement of Reasons, once it has been prepared pursuant to subdivision (a) of Section 11346.9, may be obtained from the address at the end of this notice.

**ESTIMATE OF ECONOMIC IMPACT**

Fiscal impact on Public Agencies including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Costs to any Local Agency or School District for which Government Code Section 17561 Requires Reimbursement: None

Significant Statewide Adverse Economic Impact Directly Affecting California Businesses, including Small Business: The Commission on Peace Officer Standards and Training has made an initial determination that the proposed regulation will not have a significant statewide adverse economic impact directly affecting California businesses, including the ability to compete with businesses in other states, and has found that the proposed amendment of Regulation 1081(a)(26) will have no effect on California businesses, including small businesses, because the Commission on Peace Officer Standards and Training sets

selection and training standards for law enforcement and does not impact California businesses, including small businesses.

Cost Impacts on Representative Private Persons or Businesses: The Commission on Peace Officer Standards and Training is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with this proposed action.

Effect on Housing Costs: The Commission on Peace Officer Standards and Training has made an initial determination that the proposed regulation would have no effect on housing costs.

**ASSESSMENT**

The adoption of the proposed amendments to this regulation will neither create nor eliminate jobs in the state of California, nor result in the elimination of existing businesses or create or expand businesses in the state of California.

**CONSIDERATION OF ALTERNATIVES**

In order to take this action, the Commission must determine that no reasonable alternative considered by the Commission, or that has otherwise been identified and brought to the attention of the Commission, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action.

**CONTACT PERSON**

Inquiries concerning written material pertaining to the proposed action should be directed to Leah Cherry, Associate Governmental Program Analyst, 1601 Alhambra Boulevard, Sacramento, CA 95816-7083, or by telephone at (916) 227-3891, fax number (916) 227-3895 or e-mail at [leah.cherry@post.ca.gov](mailto:leah.cherry@post.ca.gov). **TITLE 17. DEPARTMENT OF DEVELOPMENTAL SERVICES****NOTICE OF PROPOSED RULEMAKING****Special Incident Reporting Procedures**

The Department of Developmental Services (DDS) proposes to amend Title 17, California Code of Regulations, Division 2, Chapter 3, Subchapter 2 by amending Sections 54302, 54327, 54327.1 and adopt-

ing Section 54327.2; Subchapter 4 by amending Section 56002; Subchapter 4.1, by amending Section 56093; and Subchapter 19 by amending Section 58651.

#### WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action of DDS. The written comment period closes at 5:00 p.m. on November 27, 2001. Please submit any written comments to the DDS contact persons designated below by 5:00 p.m. on November 27, 2001. Both oral and written comments will be received at the public hearing.

#### PUBLIC HEARING

One public hearing is scheduled. The public hearing to receive oral and written comments is scheduled for 10:00 a.m. on November 27, 2001. This hearing will be held at 714 P Street, Room 102 (auditorium), Sacramento, California. DDS requests that persons who make oral comments at the public hearing submit a written copy of their testimony at that hearing. The hearing location has wheelchair access.

#### AUTHORITY AND REFERENCE

Authority: Section 11152, Government Code.

Reference: Sections 4434, 4500, 4501, 4502, 4629, 4648, 4648.1 and 4742, Welfare and Institutions Code.

#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

DDS is obligated, pursuant to the Lanterman Developmental Disabilities Services Act (Welfare and Institutions Code, Division 4.5, Section 4500, et seq.) to ensure the quality of services and supports provided to consumers. As part of this obligation, DDS implemented special incident reporting regulations in June 1998 for the purpose of establishing a process of oversight and monitoring to protect the health and safety of consumers residing in the community. DDS is proposing amendments to its current special incident reporting procedures that will: clarify and specify what constitutes a reportable special incident; establish an Electronic Data Reporting System that will allow regional centers to submit special incident reports electronically to DDS; establish a regional center Risk Management and Mitigation Committee to oversee the special incident reporting system by monitoring and evaluating the types of incidents being reported and making any necessary recommendations to ensure the health and safety of vulnerable consumers.

Section 54302, subsections (a)(53) and (62) are being deleted because the definitions are obsolete. They have been replaced by new definitions contained in Section 54327.

Section 54327 has been amended to include a definitive list of what constitutes a special incident including those incidents in which a consumer was missing; the death of any consumer; reasonably suspected abuse/exploitation of a consumer; reasonably suspected neglect; a serious injury/accident; any unplanned or unscheduled hospitalization due to certain specified conditions; or the consumer is the victim of specified crimes.

Section 54327.1 has been amended to specify that regional centers will be required to comply with a new special incident reporting process beginning on January 1, 2002; submit their report to DDS within two working days of its receipt of the special incident report from the vendor or long-term health care facility; submit its special incident report utilizing the Electronic Data Reporting System; include identifying information about the consumer and descriptive information about the special incident; include a description of any outcomes/actions taken by any entity involved in the reporting process; and, comply with DDS requests for additional information pertaining to a special incident.

Section 54327.2 is being adopted to require all regional centers to establish a Risk Management, Assessment and Planning Committee (Committee); specifies the responsibilities of the Committee; identifies the regional center employees who are required to be members on the Committee; requires the Committee to develop a Risk Management and Mitigation Plan (Plan) and specifies what shall be included in the Plan; and requires the Committee to meet at least quarterly.

Section 56002 has been amended to delete the references to the definition of serious bodily injury. This is consistent with the deletion of the definition of serious bodily injury in 54302(a)(53).

Section 56093 is being amended to make the abuse and special incident reporting process by family home providers and Family Home Agencies consistent with the special incident reporting process utilized by all vendors and long-term health care facilities. This amendment will delete the list of current reportable incidents and replace it with the updated list used by all vendors and long-term health care facilities. This amendment will delete the requirement that the FHA simultaneously report an incident to the regional center and DDS, which will make the reporting

process consistent with the new special incident reporting process used by all vendors and long-term health care facilities.

Section 58651 is being amended to correct an incorrect regulatory section reference.

#### SMALL BUSINESS DETERMINATION

DDS has determined that the proposed regulations may affect small business.

#### LOCAL MANDATE DETERMINATION

DDS has determined that the proposed regulatory actions do not impose: 1) a mandate on local agencies or school districts; 2) significant costs or savings to any state agency; 3) costs to any local agency or school district that must be reimbursed in accordance with Government Code section 17500 through 17630; 4) other nondiscretionary costs or savings imposed on local agencies; or 5) costs or savings in federal funding to the state.

#### ASSESSMENT STATEMENT

DDS has determined that the proposed regulations will not affect the creation or elimination of jobs in California; the creation of new businesses or the elimination of existing businesses within California; or the expansion of businesses currently operating in California.

DDS has made an initial determination that the proposed regulations will not have: 1) a significant statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states; or 2) a significant effect on housing costs.

#### COST IMPACTS ON REPRESENTATIVE PRIVATE PERSONS OR BUSINESSES

DDS is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

#### ALTERNATIVES CONSIDERED

DDS must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the attention of DDS would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

DDS invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations during the written comment period or at the public hearings.

#### AVAILABILITY OF RULEMAKING DOCUMENTS

DDS has prepared and has copies ready for public review of the exact text of the proposed regulations, an Initial Statement of Reasons for the proposed regulations, and all of the information upon which the proposed regulations are based. Copies of the initial statement of reasons and text of the proposed regulations, along with all other public records, reports, documentation or other material related to the proposed regulations will be contained in the rulemaking file and will be available for inspection and copying throughout the rulemaking process from the contact person at the above address. In addition, the text, Initial Statement of Reasons and other materials for this rulemaking may be viewed over the internet at [www.dds.ca.gov](http://www.dds.ca.gov).

#### AVAILABILITY OF CHANGED OR MODIFIED TEXT

After the close of the comment period, DDS may adopt the proposed regulations as described in this notice. If DDS makes modifications that are sufficiently related to the originally proposed text, it will make the modified text, with changes clearly indicated, available for public comment at least 15 days before DDS adopts the regulations as revised. If the

### GENERAL PUBLIC INTEREST

#### DEPARTMENT OF CONSERVATION

##### TO ALL INTERESTED PARTIES:

Enclosed please find the current list of mining operations eligible to sell materials to the State of California. These mining operations have demonstrated to the Department of Conservation that they have obtained a lead agency approved reclamation plan, financial assurance and fulfilled the annual reporting requirements as required by Public Contract Code (PCC) Section 10295.5. This list is required by Public Resources Code (PRC) Section 2717(b) and is published in the California Regulatory Notice Register.

Operations are listed by the California Mine Identification Number (e.g. 91-01-0000) and segregated by county. Due to mergers, acquisitions, or reorganizations, this number is the most reliable identifier.

Also, please note that this list includes selected mining operations which meet the requirements for listing under PCC Section 10295.5, but may have an approved closure/reclamation plan prohibiting additional mining and/or material sales. Please check with the appropriate lead agency to confirm a mine's status.

If you have any questions regarding this list, please contact the Reporting and Compliance Unit at (916) 323-9198.

## **DEPARTMENT OF FISH AND GAME**

### **CESA CONSISTENCY DETERMINATION FOR RAMONA AIRPORT PROJECT, SAN DIEGO COUNTY**

The Department of Fish and Game (Department) received notice on September 24, 2001 that the County of San Diego Department of Public Works, proposes to rely on consultations between federal agencies to carry out a project that may adversely affect species protected by the California Endangered Species Act ("CESA"). This project consists of the expansion of the Ramona airport in San Diego County, California.

The U.S. Fish and Wildlife Service, on August 24, 2001, issued to the Federal Aviation Administration, a no jeopardy federal biological opinion (1-6-98-F-833.3-R2) which considers the Federally and State endangered Stephen's Kangaroo Rat (*Dipodomys stephensi*; SKR) and authorizes incidental take. This amendment to the original biological opinion was required in response to the identification of additional areas within the proposed project impact area that have become occupied by SKR.

Pursuant to California Fish and Game Code Section 2080.1, the County of San Diego is requesting a determination on whether the amended federal biological opinion 1-6-98-F-833.3-R2 is consistent with CESA.

If the Department determines that the federal biological opinion is consistent with CESA, the County of San Diego will not be required to obtain an incidental take permit under CESA for the proposed project.

## **DEPARTMENT OF TOXIC SUBSTANCES CONTROL**

### **FINAL DECISION TO EXTEND TIME FOR A HAZARDOUS WASTE ENVIRONMENTAL TECHNOLOGY CERTIFICATION**

The California Environmental Protection Agency, Department of Toxic Substances Control (DTSC) has made a final decision to grant an extension for up to

one year to the following company's hazardous waste environmental technology certification:

puraDYN Filter Technologies, Inc.  
3020 High Ridge Road, Suite 100  
Boynton Beach, FL 33426

DTSC has decided to extend the existing certification to allow time to conduct work necessary to review the puraDYN Filter Technologies, Inc. (puraDYN) By-pass Oil Filtration System (previously called the puraDYN Onboard Oil Management System) for recertification. The extension will last for a maximum of one year, or until a recertification decision is made, whichever occurs first. This proposed decision was issued in the June 29, 2001 publication of the California Regulatory Notice Register. This final decision will take effect 30 days from the date of this notice. During the 30 day period after DTSC publishes the final amendment decision to a hazardous waste environmental technology certification, the existing certification shall remain valid for a Department initiated amendment. See Title 22 California Code of Regulations, Chapter 46, Section 68100(b).

puraDYN manufactures an oil purification system that filters and removes impurities from crankcase oil using filtration and evaporation during the operation of the combustion engine or hydraulic equipment to which the system is attached. The purpose of this technology is to extend oil drain intervals. The system contains a canister that can be mounted on the fire wall, fender well, or frame of an engine crankcase. The canister houses a disposable cotton filter element and an evaporation chamber with a heating element. Engine oil enters the canister via a metering jet that regulates the flow to approximately three to six gallons per hour. The oil passes through the filter element where particulate matter is removed. After filtration, the oil is heated in an evaporation chamber in order to remove fuel, water, and coolant which are vented into the air cleaner. The filtered oil then flows back into the engine by gravity flow.

In May 1998, DTSC issued a decision to recertify the puraDYN Filter Technologies, Inc. (puraDYN) Onboard Oil Management System (now called the puraDYN By-pass Oil Filtration System) as a Pollution Prevention technology when installed, operated, monitored, and maintained according to puraDYN's standards and specifications (see California Regulatory Notice Register Notice Z98-0420-02). This recertification is specific to engine oil usage and used oil generation. The puraDYN By-pass Oil Filtration System (previously the puraDYN Onboard Oil

Management System) has been shown to be an effective means of extending engine oil change intervals by aiding in the removal of particulate matter, water, coolant, and dissolved fuel.

Extended drain intervals reduce: 1) use of new oil, 2) generation of used oil, 3) potential of spills while draining and transporting used oil, and 4) maintenance time and expense to operate and manage engine oil changing facilities.

The re-certification (No. 98-01-027), which became effective July 13, 1998, was in effect for three years, and expired on July 13, 2001. The decision to re-certify was based upon a DTSC evaluation of the technology which included: a review of vendor supplied information, consultation with oil manufacturers and analytical laboratories that specialize in the testing of engine oils, customer interviews, analysis of equipment-specific use information, testimonials, a review of customer supplied data, and DTSC directed oil analysis testing. puraDYN Company has requested that DTSC conduct a recertification review of this technology so that the certification can be renewed for an additional three year period.

Chapter 412, Statutes of 1993, Section 25200.1.5, Health and Safety Code, enacted by Assembly Bill 2060 (AB 2060 by Assemblyman Ted Weggeland) authorizes DTSC to certify the performance of hazardous waste environmental technologies. Only technologies that are determined to not pose a significant potential hazard to the public health and safety or to the environment when used under specified operating conditions and which can be operated without specialized training and with minimal maintenance may be certified. Incineration technologies are explicitly excluded from the certification program.

The purpose of the certification program is to provide an in-depth, independent review of technologies at the manufacturers' level to facilitate regulatory and end-user acceptance and to promote and foster growth of California's environmental technology industry.

DTSC makes no express or implied warranties as to the performance of the manufacturer's product or equipment. The end-user is solely responsible for complying with the applicable federal, state, and local regulatory requirements. Certification does not limit DTSC's authority to require additional measures for protection of public health and the environment.

Additional information regarding DTSC's final decision to extend certification of the technology described in this notice can be obtained at:

PUBLIC NOTICE FOR VARIANCE ISSUANCE**

On September 5, 2001, the State Regulatory Programs Division of the Department of Toxic Substances Control (DTSC) issued a manifest variance renewal to Calaveras County. Authority for this action is contained in Health and Safety Code (HSC), section 25143. The variance authorizes Calaveras County Department of Public Works' household hazardous waste collection facilities to transfer collected wastes from one collection site to another collection site using a bill-of-lading shipping paper in lieu of a hazardous waste manifest. This shipping paper lists federal Department of Transportation shipping names and the wastes are packaged and transported in accordance with federal Department of Transportation, California Highway Patrol, and California Vehicle Code requirements. Manifest standards exempted are contained in HSC, section 25160. N-CARBOXYMETHYL-N-NITROSOUREA**

The California Environmental Protection Agency's Office of Environmental Health Hazard Assessment (OEHHA) is the lead agency for the implementation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65).

The Carcinogen Identification Committee of OEHHA's Science Advisory Board advises and assists OEHHA in compiling the list of chemicals known to the State to cause cancer, which is mandated by Health and Safety Code Section 25249.8. The Committee serves as the State's qualified experts for rendering an opinion whether a chemical has been clearly shown through scientifically valid testing according to generally accepted principles to cause cancer.

On August 6, 1999, OEHHA requested information in relation to the preparation of draft hazard identification documents on allyl isovalerate and N-carboxymethyl-N-nitrosourea, chemicals to be considered by the Carcinogen Identification Committee for possible addition to the Proposition 65 list. The 60-day data call-in period ended for both chemicals on October 5, 1999. No information or data were received for either chemical.

OEHHA has prepared the draft hazard identification documents for allyl isovalerate and N-carboxymethyl-N-nitrosourea and announces the availability of the draft documents entitled: "Evidence on the Carcinogenicity of Allyl Isovalerate" and "Evidence on the Carcinogenicity of N-Carboxymethyl-N-nitrosourea." Copies of the draft documents are available from the Proposition 65 Implementation Office and may be requested by calling (916) 445-6900. The documents are also available through the Internet at the following address: <http://www.oehha.ca.gov/>. This notice marks the beginning of a 60-day public comment period. OEHHA will organize and index the comments received and forward the information to the Carcinogen Identification Committee members prior to the meeting at which the candidate chemicals will be considered. The next meeting of the Carcinogen Identification Committee is scheduled for **Tuesday, December 18, 2001**. The meeting will be held at the California Environmental Protection Agency Headquarters Building, Coastal Hearing Room, at 1001 I Street, Sacramento, California. The California Environmental Protection Agency's Office of Environmental Health Hazard Assessment (OEHHA) is the lead agency for the implementation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65).

The Developmental and Reproductive Toxicant (DART) Identification Committee of OEHHA's Science Advisory Board advises and assists OEHHA in compiling the list of chemicals known to the State to cause reproductive toxicity, which is mandated by Health and Safety Code Section 25249.8. The DART Identification Committee serves as the State's qualified experts for rendering an opinion whether a chemical has been clearly shown through scientifically valid testing according to generally accepted principles to cause reproductive toxicity.

On February 25, 2000, OEHHA requested information in relation to the preparation of a draft hazard identification document on metribuzin, a chemical to be considered by the DART Identification Committee for possible addition to the Proposition 65 list. The data call-in period ended on March 29, 2000. No information or data were received on metribuzin.

OEHHA requested information in relation to the preparation of draft hazard identification documents on cyclohexanol and 2,4-DP (dichloroprop) on June 22, 2001. The data call-in period for both chemicals ended on August 6, 2001. No information or data were received on cyclohexanol. Information was submitted on 2,4-DP (dichloroprop) which was considered in the preparation of its draft hazard identification document.

OEHHA has prepared the draft hazard identification documents for metribuzin, cyclohexanol and 2,4-DP (dichloroprop) and announces the availability of the draft documents entitled: "Evidence on the Developmental and Reproductive Toxicity of Metribuzin," "Evidence on the Developmental and Reproductive Toxicity of Cyclohexanol," and "Evidence on the

Developmental and Reproductive Toxicity of 2,4-DP." Copies of the draft documents are available from the Proposition 65 Implementation Office and may be requested by calling (916) 445-6900. FIRST SET OF PROPOSED  
CLARIFYING REGULATIONS**

The California Environmental Protection Agency's Office of Environmental Health Hazard Assessment (OEHHA) is the lead agency for the implementation of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65 or the Act). As the lead agency,

OEHHA is authorized to adopt and modify regulations as necessary to conform with and implement the provisions of the Act (Health and Safety Code Section 25249.12.) It has been some time since OEHHA has put forth a major rulemaking package proposing the adoption or amendment of regulations.

Earlier this year, the Director of OEHHA met with various representatives of the regulated community, environmental groups, and the Attorney General's Office to gather input as to which areas of the Proposition 65 regulations might benefit from regulatory clarification. OEHHA received input suggesting both major and minor regulatory changes. Instead of proceeding with a single voluminous regulatory package, OEHHA intends to propose a series of regulatory amendments during the next several years and will begin with minor changes of a less complex nature and progress to more significant regulatory amendments. This will help ensure an orderly process that will allow for complete public review and discussion of each specific regulatory proposal.

This notice announces the availability of the first in the series of planned draft regulatory amendment packages OEHHA proposes to put forward in advance of the formal rulemaking process specified in the Administrative Procedure Act. The draft regulatory package is available from the Proposition 65 Implementation Office at the address and telephone number indicated below or from the Internet from the following address: <http://www.oehha.ca.gov>.

OEHHA welcomes public input in its implementation of Proposition 65; and therefore will conduct a public workshop on **Friday, November 2, 2001** at the California Environmental Protection Agency Headquarters Building, 1001 I Street, Coastal Hearing Room, Sacramento, California. The workshop will begin at 10:00 a.m. and will last until all business is conducted or until 5:00 p.m. Anyone wishing to comment on the draft regulatory amendments may do so orally at the public workshop or in writing by submitting written comments in triplicate by mail, fax, or hand-delivery to:

**AGENCY: CALIFORNIA HORSE RACING BOARD**

**RULEMAKING ACTION: Amend Section 1691 of Title 4 of the California Code of Regulations**

#### SUMMARY OF RULEMAKING ACTION

This rulemaking action authorizes advertising including logos, labels, or product endorsements on jockey clothing, owner silks, and track saddle cloths during the running of horse races. The action also restricts the location and maximum size of allowed advertisements, and regulates the content of the advertising by banning advertising that promotes tobacco, weapons, pornography, and "[p]roducts that are detrimental to the best interests of horse racing, as determined by the Board." The action provides that a copy of the advertisement signage must be submitted to the track stewards before a horse is entered to race.

#### SUMMARY OF DECISION

On September 19, 2001, the Office of Administrative Law (OAL) disapproved the above-referenced rulemaking action for the following reasons. The term "weapons" is not defined for purposes of the regulation. The record lacks necessary information showing that the ban on the advertising of weapons at horse races furthers a substantial governmental interest; that the ban will in fact advance that interest to a material degree; and that the ban is not more extensive than is necessary. The ban on advertising that

promotes tobacco products is preempted by, and is thus inconsistent with the Federal Cigarette Labeling and Advertising Act. The term "pornography" is not defined for purposes of this regulation. The ban on "products that are detrimental to the best interests of horse racing, as determined by the Board" requires jockeys, horse owners, track owners, and stewards to apply "board determination[s]" that are not contained in this regulation.
